

MD Series

SMD Low Profile High Current Molded Inductor

Size 1040

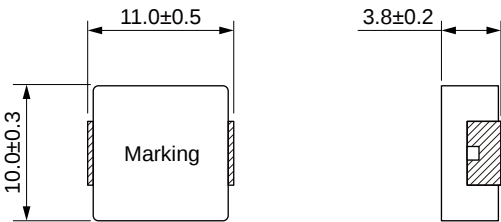

CHARACTERISTICS

- 
- 
- 
- 
- 

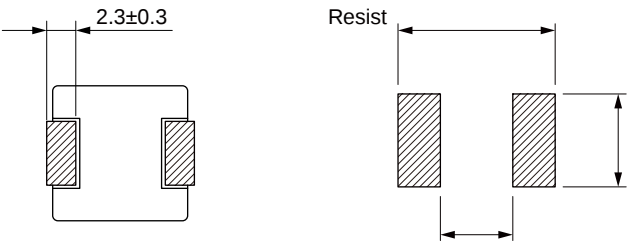

APPLICATION

- 
- 

Dimensions: [mm]

Land Pattern: [mm]

Electrical Properties:

| Part No |  | Tolerance | Temperature<br>Rise Current<br>Typ.<br>(A) | current<br>Typ.<br>(A) |  |  |
|---------|--|-----------|--------------------------------------------|------------------------|--|--|
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |
|         |  |           |                                            |                        |  |  |

### Typical Electrical Characteristics:
